

PRIME

ELECTRIC VEHICLES & SMART MOBILITY

AWARDS 2026

Recognising the businesses driving
Pakistan's electric mobility future

About PRIME AWARDS

Prime Awards is a premium recognition platform created to celebrate excellence across Pakistan's most impactful industries. It honours organisations, leaders, and innovators who stand out through performance, credibility, innovation, and measurable contribution.

Designed as a high-visibility awards platform, Prime Awards gives businesses an opportunity to showcase their achievements, strengthen their industry reputation, and gain recognition on a respected stage.

Built to Recognise Excellence. Designed
to Elevate Credibility

About ELECTRIC VEHICLES & SMART MOBILITY

The Electric Vehicles & Smart Mobility category under Prime Awards 2026 is dedicated to recognising Pakistan's growing electric transportation and mobility ecosystem.

The category recognises electric motorcycles, scooters, other two-wheelers, EV cars, electric rickshaws, manufacturers, assemblers, importers, distributors with strong focus on charging providers, battery companies, fleet operators, financing platforms, dealerships, technology providers, and after-sales service companies.

For companies operating in a fast-growing and competitive market, this platform provides an opportunity to stand out through credible recognition, customer trust, reliable performance, innovation, and meaningful industry visibility.

Recognising the businesses connecting
Pakistan to regional and global markets.

CATEGORY DETAILS

ELECTRIC SCOOTER & MOTORCYCLE PRODUCT EXCELLENCE AWARDS

Honouring electric scooters & motorcycles delivering dependable performance, practical range, safety, comfort, design quality, affordability, and value for Pakistani consumers.

EV MANUFACTURING, ASSEMBLY & LOCALISATION EXCELLENCE AWARDS

Recognising manufacturers and assemblers contributing to local EV production, quality control, technology development, employment generation, & increased localisation within Pakistan.

EV IMPORTERS, DISTRIBUTORS & SUPPLY CHAIN EXCELLENCE AWARDS

Honouring companies ensuring reliable EV imports, product availability, nationwide distribution, dealer support, spare-parts access, and strong supply chain operations.

ELECTRIC CARS & PASSENGER MOBILITY EXCELLENCE AWARDS

Recognising electric car brands and passenger mobility companies delivering reliable vehicles, advanced technology, safety, comfort, efficiency, and long-term customer value.

ELECTRIC RICKSHAW, COMMERCIAL & FLEET MOBILITY AWARDS

Celebrating electric rickshaws, commercial vehicles, delivery fleets, rental platforms, and mobility operators reducing transportation costs and supporting cleaner business mobility.

EV CHARGING INFRASTRUCTURE & ENERGY SOLUTIONS AWARDS

Honouring companies developing dependable charging stations, home and commercial chargers, battery swapping solutions, charging networks, and related energy infrastructure.

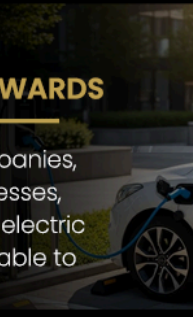

EV BATTERY, BMS & POWERTRAIN TECHNOLOGY AWARDS

Recognising battery brands, battery management systems, motors, controllers, powertrain suppliers, and technology companies improving EV performance, safety, efficiency, and reliability.

EV FINANCING, LEASING & AFFORDABLE OWNERSHIP AWARDS

Recognising banks, leasing companies, fintech platforms, mobility businesses, and financing providers making electric vehicles easier and more affordable to purchase or operate.

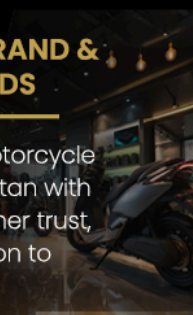

DEALERSHIP, CUSTOMER EXPERIENCE & AFTER-SALES EXCELLENCE AWARDS

Honouring dealerships & service providers delivering transparent sales support, strong customer service, maintenance, warranty assistance, complaint handling, spare parts, and reliable after-sales care.

ELECTRIC TWO-WHEELER BRAND & MARKET LEADERSHIP AWARDS

Recognising leading electric motorcycle and scooter companies in Pakistan with strong market presence, customer trust, business growth, and contribution to electric two-wheeler adoption.

JUDGING & EVALUATION

Entries will be evaluated on credibility, product quality, safety, performance, reliability, affordability, customer trust, innovation, and measurable contribution to Pakistan's electric mobility sector.

The evaluation framework focuses on companies that are not only visible in the market, but also deliver practical mobility solutions, dependable products, responsive customer support, strong after-sales service, and long-term value.

EVALUATION AREAS

Focused on trust, performance, affordability, innovation, reliability, and real mobility impact

WHY PARTICIPATE?

Participating in Prime Electric Vehicles & Smart Mobility Awards 2026 gives your company more than recognition; it gives your business a stronger market position.

For EV brands, manufacturers, assemblers, importers, charging providers, battery companies, fleet operators, financing platforms, dealerships, and service providers, credible recognition can help build customer confidence and differentiate your business in a fast-growing competitive sector.

In a market where customers compare price, range, battery life, safety, service, warranty, and trust, recognition can become a powerful advantage.

STAND OUT FROM COMPETITORS

BUILD BUYER & PARTNER TRUST

SHOWCASE YOUR TRADE STRENGTHS

STRENGTHEN BRAND REPUTATION

GAIN NATIONAL VISIBILITY

CELEBRATE YOUR TEAM & GROWTH

Recognition that helps your business stand out as customers choose the mobility brands they can trust.

WHO SHOULD ENTER?

This category is open to companies, brands, manufacturers, assemblers, importers, distributors, technology providers, financiers, dealers, fleet operators, service providers, and professionals contributing to Pakistan's electric mobility ecosystem.
